**Clean Sweep Program for  
Very Small Quantity Generators  
of Hazardous Wastes for 2017**

## 2017 Price Schedule

(Use this schedule to initially estimate your costs)

**Chippewa County**, in cooperation, with WRR Environmental Services are pleased to announce two Clean Sweep collections for Very Small Quantity Generators (VSQG's) of hazardous wastes in 2017.

### How do I know if my business is a VSQG?

A business is defined as a VSQG if they generate less than 220 pounds of hazardous waste in any month and accumulate less than 2,205 pounds of hazardous waste in storage.

### Where and When will this program be held?

All wastes must be transported by the generator to the Northern WI State Fairgrounds, Chippewa Falls. The collections will be held on March 30 and October 12, 2017, from 10:30 a.m. – 1 p.m.

### How can my business participate?

This program operates on a *fee-for-service* basis. Participating companies must pre-register following the procedures listed below.

1. You must provide an inventory to WRR of what you will be bringing to the event. (Use the form provided by WRR.) You may mail or fax the inventory/receipt form to WRR.
2. WRR will provide you with a cost estimate for the inventory you submit.
3. If you decide to participate, contact WRR and they will schedule a time for you to deliver your hazardous wastes. They will also send you a VSQG HW Drop-off receipt.
4. You must bring your pre-approved wastes, the receipt, and a business check (or cash) to the collection site at the scheduled time. If you pay by check, leave the amount blank.
5. You must follow applicable shipping regulations when transporting materials to the collection site.
